

# **In-Person Foster/Adoptive Parent Preservice Training** ~ 2022 Schedule ~

This program provides eleven modules (Modules 1-11), presented in a socially distant classroom format. Module 12 is a self-paced online course that is only available to participants who have completed courses 1 through 11.

Classes are offered in several configurations during the year. While you are encouraged to complete the entire in-person program in one session, participants may “pick up” any missing classes during a future in-person round. In compliance with COVID-19 recommendations from the Centers for Disease Control and the Ohio Department of Health, seating is limited.
